Students should make a note of these exams in their planners so that they can continue to structure their revision and plan accordingly. Please ensure that your child is fully equipped and ready to complete these exams – a handful of pens and pencils, a ruler, eraser, highlighters and a calculator are all essential items.

Exams will take place in classrooms and will be completed in exam conditions from the moment of entry. Students have been spoken to in assembly about the importance of ensuring exam conditions so that everyone has the right conditions to achieve their very best.

A reminder that a copy of the revision guide can be found on the school website and on Teams, and this revision guide outlines all the key and expert knowledge and skills that students need to

demonstrate in order to succeed. As always, students' exercise books and work folders should be the most valuable revision resource.

Kind regards,

Ms C Robinson

Assistant Headteacher

Mr O Burton

Raising Standards Leader – Year 8
